For Making New Friends

Meeting New Friends . . .

Friendship has a special meaning at Holmes Junior College. In college you meet new people and new problems, but friends always help each other, This is HJC - where you can meet new friends.

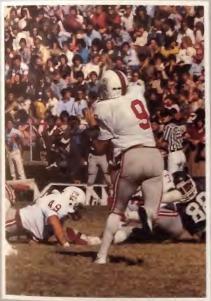

Having Good Times . . .

In college you have to learn discipline.
You have to study for a history test instead of going to the movies. But, everyone needs a break sometime.
This is HJC — where you can have your good times.

For Meeting Someone Special

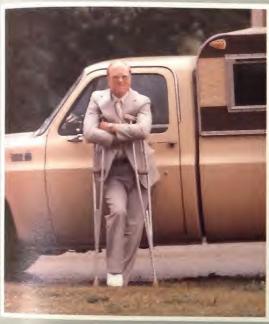

Meeting Someone Special . . .

You come to college to receive a better education, but somehow you are more interested in that boy or girl in your math class than knowing A + B = C. In college you look ahead to your future to decide whether you want to have a professional career or whether you want to get married or both. This is HJC — where you might meet your "someone special."

This is Holmes Junior College, where you are making new friends, having good times, or meeting your someone special. This is where you constantly strive to meet new challenges, whether in school, at home, or at work. This is HJC — this is what college is all about.

Ray Bridges

A. J. Kilpatrick

Reggie Surles

Robert Pool

The HORIZONS staff dedicates the 1982 yearbook to the football coaching staff – Ray Bridges, A. J. Kilpatrick, Robert Pool, and Reggie Surles.

These four men have worked together for the last two years and have guided the Bulldogs to a state championship and to a bowl game for the first time in over 30 years.

The Mississippi Junior College Athletic Association chose these men as the 1981 Coaching Staff of the Year in recognition of their accomplishments in the 1981 football season.

These accomplishments by Coach Kilpatrick and his staff are acknowledged by the HORIZONS staff in the 1982 yearbook dedication.

to the Coaching Staff of the Year

For Meeting Concerned People

President M. R. Thorne

All of us have enjoyed many pleasant and rewarding experiences during the 1981-82 school year. I appreciate the fact that throughout this school year, you have approached each task with dedication and with a spirit of cooperation. I shall always be grateful for the many smiles and courtesies and for the part you have played in helping us to make this one of our most successful school years.

As you leave Holmes Junior College to continue your education or to take your place in a complex and ever changing society, I am confident that you will meet each challenge with courage and dedication.

In Memoriam Victor Duray Spell 1922-1981

Holmes Junior College lost a valuable and dedicated employee in 1981. "Big Spell," as he was affectionately called, lost his battle with cancer and his death left a void in the maintenance department that cannot be filled.

The HORIZONS staff would like to pay tribute to Mr. Spell with a poem that has been used before but the message conveys how we feel about him and his contribution to Holmes Junior College.

Mississippi is known as the Hospitality State, and here at Holmes Junior College, Mississippians are always hospitable. Whether it be at dances, cookouts, pep rallies, in the dorms, or on the campus, the hospitality of HJC can be clearly seen

Walking on campus or dancing with the beat, Jimmy Yates and Deborah McDaniel show that friends are a major part of HJC. Carol Strong flashes a smile for the camera and shows that friendliness spreads on campus.

Meeting people at HJC is easy. The people are always ready to help in any way they can.

Cramming for an exam, relaxing on campus, or going to a pep rally, friends take time to help each other. This can be seen as Melody Young carries some of the HJC tuba players to the pep rally, Pam Burchfield and Linda Edwards talk on campus, and as Michon Perry studies for an exam.

Everyone has to take time for themselves or their friends. This brings HJC people closer together.

At HJC we spent many hours sitting in a classroom, studying for a test, looking for books in the library, and spent some time actually getting homework done.

At HJC we spent many hours cruising around campus, taking long rides through the country, cutting classes, eating the cafeteria food, wasting time in the Can, and spent quite a lot of time goofing off in a million ways.

First, you have the many hours of practice, the long nights studying at Mayo's — the constant strive to achieve your

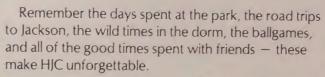

Then you have a perfect performance, a 4.0 GPA, and a pat on the back by a friend — this makes all the effort worthwhile.

A year of . . . wishing learning loving laughing crying celebrating

A year of ... friendships disappointments good times accomplishments surprises adventures

Garland Bowl Ends Season for State Champions

The football team went to Garland, Texas, to play in the Garland-Texas Junior College Bowl, with their best regular season finish in 30 years. Even though they lost 24-10 to Tyler Junior College, they are the Mississippi Junior College State Champions for 1981.

Holmes carried a 10 win, 2 loss season record to Texas to play the Texas State Champs with a 2-1 record.

The invitation to the bowl was an honor for the

school, the team, and the coaches. It will be an experience long remembered.

The loss to Tyler is overshadowed by many good things accomplished by the team. Besides the 10-2 record, the Bulldogs were nationally ranked for two months. The final poll ranked them 12th in the nation.

These young men showed the state that there is no place like Holmes and this is definitely the "Year of the 'Dogs''

The Bulldogs opened the season with a 10-7 win over East Central Junior College in Goodman. HJC posted 10 points on the scoreboard before the opponents scored in the fourth quarter.

10-7 was the score for a second week when we beat Northwest on their home ground. This was a big win for team and the coaching staff. Glen Lepard, a 27 year old high school drop out, scored his first touchdown of his collegiate career. NW's only score was on a 50 yard punt return late in the second quarter.

Two and 0 was a fine record to start the season with but it didn't last long.

Co-Lin handed them their loss, a 21-13 licking. Besides the loss of the game, James Haralson, a sophomore running back was hospitalized with a broken leg. Haralson spent several weeks in the hospital and was out for the season. Sophomore quarterback Tommy Trussell jammed his left thumb and was forced to leave the game in the second half.

The offense rolled and the defense held in the 27-7 win over Northeast Mississippi Junior College. Ricky Spires recovered a fumble early in the first quarter and Marshall Lowe scored 3 plays later to begin the scoring. Then the 'Dogs scored once in each quarter and only allowed the Northeast Tigers to score in the final period.

HONORABLE MENTION

Leon Frazier Roger Totten

Itawamba's homecoming gave the Bulldogs their 4th victory in 5 games. Holmes beat IJC 30-7. Jeff Horne was hurt in that game and had to be carried to the hospital.

Mississippi Delta, the one time arch rival of Holmes, was the October 8 opponent. Holmes won 14-9 in Moorhead. Years ago each school would steal things from the other. - bell, dogs, signs, etc. - paint

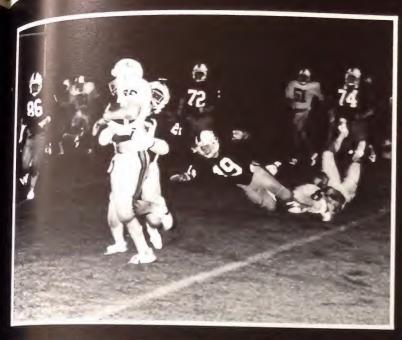

buildings and anything else they could find, but this rivalry has died somewhat in the last few years.

With 34 seconds left on the clock and trailing 12-7 against Pearl River, Roger Totten, with a tremendous fingertip grab on a leading pass from Tommy Trussell, fell into the end zone. Steve Aydelott's extra point gave Holmes a 6-1 record. Jerry Stewart, Roy Hart, Randolph Marshall, Ricky Spires, and Charlie Haynes had a good defensive game.

Holmes was tabbed as co-holder of the No. 10 spot in the National Junior College Athletic Association poll. This was the Bulldogs' first time to receive national recognition.

Before a large homecoming crowd on Oct. 24, Holmes beat East Mississippi 10-7 (3rd time for that score) to retain the No. 1 spot in the North Division. Marshall Lowe scored on a 78 yard run in the first

quarter. Aydelott added the extra point and kicked a field goal, as he did so many times during the season.

Gulf Coast, who ruined the Holmes Bulldogs' chances at the state title in 1980, nabbed the October 31 game 29-21 in Perkinston. Holmes, even though they had won their last game, had dropped to 11th nationally and would drop to 13th after their GC defeat.

Holmes	VS.	Tyler	10	24

The 1981-82 season ended with a 55-0 win over Coahoma Junior College. Their record was then 8-2 overall and 6-0 in the North Division. In the 55 point rally, Glen Lepard scored 3 TD's, Jim Ludwig scored 2, Roger Totten, Peter Brown and Roderick Jones, 1 each, and Steve Aydelott scored 7 points in extra points. The defensive stat sheet looked like a puzzle with so many credits. Anthony Sansing was the leading rusher and Kim Clark a close second.

The first round of state playoffs was played in Goodman with East Central, who we had beat 10-7 in the season opener and was the No. 2 team in the South, as the opponent. The Bulldogs came away the winner in the contest 24-15 and gave them a 9-2 record and steered them toward Poplarville where they would meet Pearl River for the state championship.

The state title belonged to Holmes for the first time in 13 years after their 31-6 strapping of Pearl River.

With the victory and title came an invitation to the Garland Texas Junior College Bowl on December 5. The Bulldogs were slated against the Texas junior college champs, Tyler Junior College Apaches. Holmes lost the game, but won the state and national recognition due them, the local fan support, and the satisfaction of a job well done.

The defense for the second year in a row led the state in the number of opposition points scored. They only allowed 10.6 per game in the 10 regular season games and the 2 playoff games this year.

Number 12 was the final ranking in the National Junior College poll which sure isn't bad for a small school in a small town in central Mississippi. This is just another example of "It's not the quantity but the quality that counts." The pride of the team, coaches, faculty, staff, administration, Board, students, and fans could be matched by none.

The cheerleading squad is chosen by audition each year for both football and basketball. This year's football cheerleaders included Donna McPhail and Lynne Parker, the only second year Cheerleaders, and sophomores Jill Wilson and Pam Henson. The freshman class was represented by Kim Potts, Rhonda Spell, Tammy Crane, and Sandra Kilpatrick.

Sponsor for the girls was Mrs. Jamie Sample, a past HJC theerleader. She transported them all over the state and went to Texas too.

The girls work every afternoon making signs, practicing new cheers and routines, and preparing for pep rallies.

The basketball season came and gave the football cheerleaders the option of remaining as cheerleaders or giving it up. Jill Wilson transferred and Pam Henson

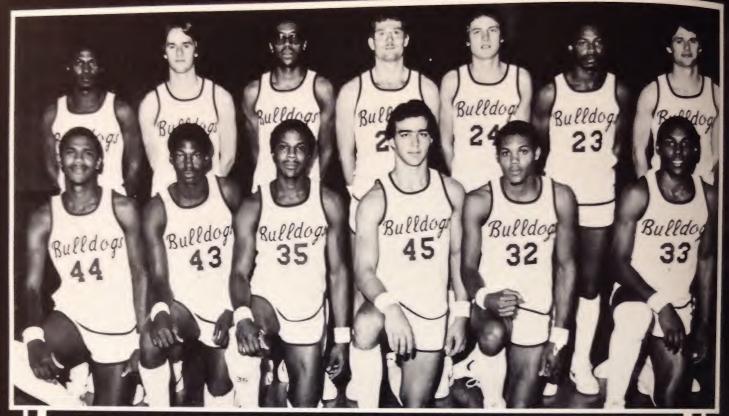

elected not to stay, so Tina Scott and Pennie Cagle were selected to serve in their place.

During the basketball season, they sponsor a halftime half-court shot where 3 people attempt to make a goal in one shot from the center court line.

All the cheerleaders have contributed to the fund raising rally to buy a bulldog costume. The costume arrived during the Christmas holidays and was introduced to the student body at the first home basketball game second semester.

The cheerleaders have been a vital part of the football and basketball season and have contributed to the total student body spirit and support for the teams. They deserve a big cheer.

The Bulldogs started the season with a real bang. They won their own Invitational Tourney two weeks after the season began and finished the first half with a 13-1 record.

With Charlie Grant, Chris Martin, Michael Fisher, Jeff Johnson (before he had to quit), Ernest Wilson, and Kevin Ross returning from last year's team, and Robert Hubbs, Garriett Curry, Jay Ray, Keith Ross, Mark Clark, John Duren, and John Sulton providing the backup and fresh new talent, the Bulldogs led the North Division until the last two weeks of the season.

The Bulldogs were ranked No. 3 in the North before the North Division playoffs. In the first game, they beat Meridian Junior College and went on to Booneville to be beaten by the Northeast Mississippi Junior College Tigers in the second round.

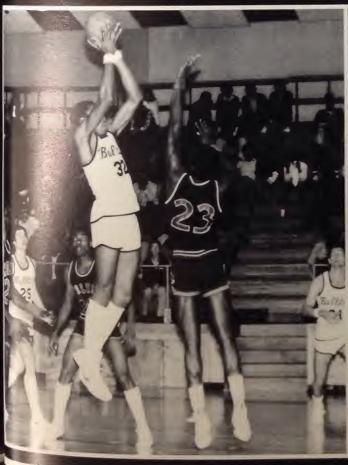

Because of their outstanding season record, Coach Kimble and his team participated in the Region VII Tournament. Region VII is made up of teams from each state (Mississippi, Tennessee, and Kentucky) plus the one team with the next best record.

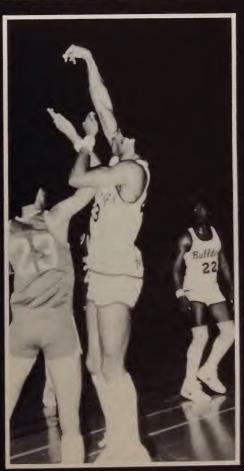

North Division record for the Bulldogs was 11 wins and 3 losses and their overall record was 22-5.

MISSISSIPPI JUNIOR COLLEGE ALL-STARS Maggie Barrow Linda Faye McKinney Coach Sheila Sullivan's Lady Bulldogs finished their regular season in second place in the North Division with a 11-3, 21-4 overall, record.

They won the East Mississippi Invitational Tournament in November and finished the first half with a 12-0 record. Linda Faye McKinney, the state's leading junior college scorer, Maggie Barrow, and Martha Ward (all sophomores

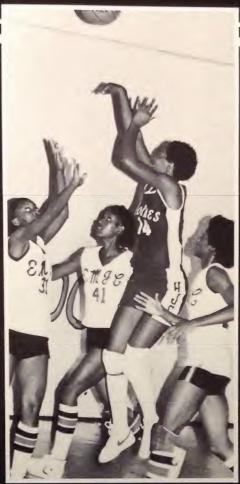

who started their freshman year) plus sophomores Sandy Luckett, Renee Boudousquie, Patty Self, Dianne Philpot, and Fran Faulkner (who did not play second semester) provided the experience the Lady 'Dogs needed for such a dynamic beginning. Two freshmen, Lela McDonald and Vicki Burton, worked their way into a starting position early in the year, and Lib Crowder provided strong bench support.

The Lady 'Dogs beat Miss. Delta in the first round of the North Division playoff and played East Miss. in the second round and lost.

It took until the final week of the season for the Lady Bulldogs to reach national ranking. They were 15th in the Nation.

They participated in the Region VII Tournament playoffs held at Northwest Miss. Junior College in Senatobia.

March, 1981, marked the official beginning of spring sports when Coach Surles' baseball team played their first game.

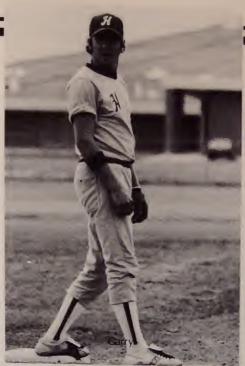

With spring comes sunshine and pretty weather but also rain. Several games were rained out during the season.

When the sunshine did come, girls and boys alike didn't need any coaxing to come out and cheer the team. Spectators started appearing in shorts, tank tops, sandals, sun visors, etc., all

warm weather. Bruce Johnson, a pitcher from Cumberland High School, Richard Burrell from Durant and East Holmes Academy, and Garry Dewberry of Cumberland High School were the only sophomores on

those items in the wardrobe that indicate

the team. After the freshmen found their spot on the team and all started playing consistently, the team had a good season.

College of DuPage of DuPage, Illinois, added HJC to its southern schools' schedule. Others were Northwest Mississippi Junior College, Mississippi Delta, and Gulf Coast. Holmes split a pair with them. Another big accomplishment for the year was beating Northwest during regular season play. This was big not only for the win, but Holmes was the only team in the state to beat them. Northwest was the North Division champ. Coach Surles praised the team for

a good season. "We played some

good ball. Sometimes we didn't get the breaks we needed but most of the time when we needed a key hit or some good defense, we got it." He sited the final game against Miss. Delta as an example. With the game tied in the bottom of the seventh inning and the bases loaded with one out, Bruce Johnson, the pitcher, managed to get out number two. The third out came on a fantastic backhand defensive play by

second baseman Garry Dewberry. Holmes came back to score twice in the top of the eighth to take home the victory and end the regular season.

Happy note! Bruce Johnson made the 1982 baseball team at Mississippi State University.

Sad note! Marc Kugle died in a car wreck in Jackson in January, 1982.

Warm weather and sunshine makes young and old look for excuses to get out in the fresh air. When spring time comes around, many people hit the tennis courts. Some are good and some just try hard.

Of the 12 tennis players representing the school, only four had played competitive tennis before. All the rest were newcomers, not to the game, but to the team.

Mark Ellington, Laurie Russell, Barbara Hopper, and Betty Lynn Bates were the only returnees.

Laurie Russell and Frankie McNeer lost only two matches during the season, one to Hinds and the other to Northwest in the playoffs April 23 in Meridian.

Dianne Philpot and Patty Self lost only one match during the season to Northwest during the playoffs. This was their first attempt at competitive tennis.

Those qualifying for the State meet were Ricky Martin, first place finisher in the 220 yard dash with a time of 22.34 and 2nd place in the long jump with a jump of 21'11".

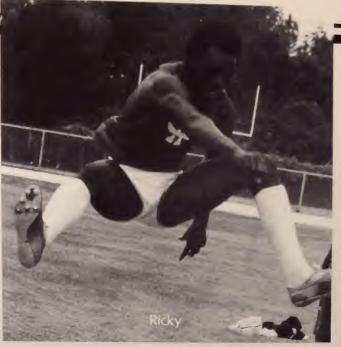

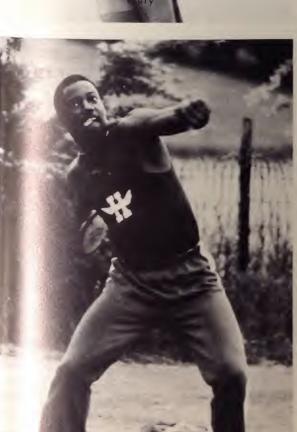

In the State Meet held at Holmes, Ricky Martin finished first in the broad jump, 22'11". Johnny McDonald finished first in the high hurdles. Jeff Campbell placed second in the shot put. McDonald also placed third in the high jump and Martin placed third in the 220 dash. Martin also finished fourth in the

100 yard dash. Galen Shumaker placed sixth in the state broad jump.

These students are nominated by the faculty. They are selected on the basis of scholarship, participation, and leadership in academic and co-curricular activities (those activities directly associated with the school and school work such as sports, band, school sponsored clubs, etc.), and extracurricular activities (such as work-study at school or work after school and on weekends and participation in community clubs and service organizations). The faculty vote for the students that they feel best exemplify these characteristics.

This year has passed so quickly. Sometimes it seems like only yesterday when you graduated from high school, then other times it seems like this past year has been only a few days shuffled in between nights. You remember your first day at HJC with amazement and your last day with regret. Suddenly you realize that you could have accomplished much more.

We hope that as you look through these pages, you remember all of the good times with laughter, regret, and nostalgia. Remember the card games with the guys, the backgammon tournaments, the counted cross stitch parties, the late night chats with the girls, traveling the same road for 186 school days, getting up at 7:55 and rushing to your 8:00 class, changing sheets for the third time that semester, and all of your shared experiences. We hope that all of your friendships that were built at HJC last a lifetime.

Around the month of March an extraordinary event captures the heart of every HJC student and teacher. This event is called Spring Fever!

Spring Fever 1981 caused the HJC male to dress like a girl and participate in the Mess America or the faculty men to get shotgunned into the Womanless Wedding.

Spring Festival let the teachers release their frustrations by throwing cow piles, or either encouraging their pet students to throw a baseball while they are sitting in the dunking booth.

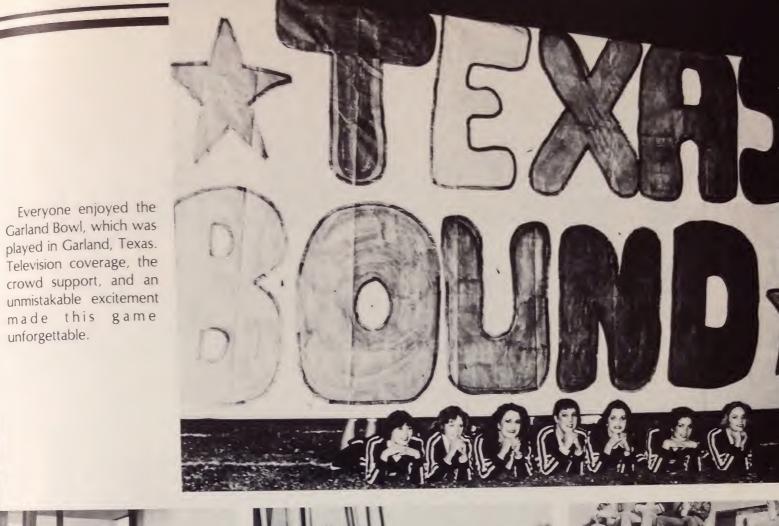

The 1981 Talent Show was a success as Sandy Land and Terri Martin won first place. Tim Blanton received the second place award, Sandy Watrous placed third, and Mike Mathis and his band received an honorable mention and the only standing ovation.

When the snow arrived at HJC, the students got out of their classes and enjoyed the unexpected treat. Many new uses for lunch trays were discovered when there were no sleds to be found on campus. Going to class proved to be a new adventure, as one would always get involved in a snowball fight before getting to class late.

For Meeting New Deadlines

Oh, how we hate that word — deadline. Yet, each day we constantly strive to meet new deadlines, and it is our wish that you always achieve your goals and meet your deadlines.

The 1982 HORIZONS would not have made it to Taylor Publishing Company if it had not been for the valuable help of some people. We would like to thank our representative, George Copeland, for his assistance and the "complete" tour of the Dallas area, Jim Williams, our faculty photographer, for the photographs he supplied at the last minute, and the students and faculty who helped us in many ways. We would especially like to thank our sponsor, Lynda Irby, who, like us, aged thirty years in the two weeks before our final deadline. Without her, we would have never regained our sanity. She was always there when we needed her. We love you very much and want to thank you for taking care of us. We would also like to thank the part of the staff who put in extra hours — Elizabeth, Bobby, Keith, and Doug. They understood our hieroglyphics in drawing up the pages, put up with our bad temper, and added humor to those long hours.

Darren and Angie

I would like to thank Darren Davison for being such a great friend. His humor has kept me from having a mental breakdown during those 8-10 hour work sessions. I would also like to thank Lynda Irby for being such a special person and to me. Two years has passed so quickly at HJC, and I remember it with frustration, excitement, regret, laughter, and a special nostalgia. Thank you, HJC!

Darren, we FINALLY finished!!!

Angle Summers

I would like to express my thanks to Angie Summers, for without her understanding and help, I would have never made it this year Thanks, Angie, for being such a great friend. I would also like to thank "Mom" Lynda Irby — for taking care of the many students at HJC, and especially me. It's been great, HJC!

Hey, Angie, we are finished! Let's go have a party!!
